Employees Only Opening in Miami Beach

New York City's legendary cocktail haven plans to open an outpost in Miami Beach come late fall with handcrafted sips served inside laid-back cool digs

New York City's popular vintage-style cocktail bar, Employees Only (pictured) is set to open its first location in Miami this fall. Come late November/early December, the bar will reside inside the brand new Washington Park Hotel South Beach, bringing with it crafted cocktails, decked out bartenders, and late-night chicken noodle soup.

The design will be Art Deco meets city chic and a touch of tropical flavor, with bartenders dressed in white jackets, mixing up tasty drinks behind the bar. There's also a food menu serving up gourmet bites of steak tartare and and lamp wrapped in bacon.

Oh yeah, and did we mention NYC's late night chicken noodle soup also makes a debut? Just in case U get hungry around 4 am after all those fancy mojitos.
